that 3 big guns have arrived with much ammunition at Gheeshuan Town from Rif Country And also the Rifs tribes they have sent a notice to the General in Millela he must make him self ready fighting lately I have seen in the Spanish news papers the news Spanish Government will not send any more spanish troops in Morocco but of course it is difficult for any one to know what will happen presently in Morocco now every thing is gotten green and beautiful I wish that you were

here you will enjoy it and the sun shine so beautifully I suppose in Felsingfors is gotten very cold and much snow I wish I was there I shand like to see the snow but I am afraid I will get killed by cold ~~clamets~~ clamets I have had received very kind and charming

Y have had read in english a news paper that
 in-europ is very cold And much snow Y
 suppose in Finland snow is terrible cold and
 much snow & now here in Tangier is not very
 cold only at night & but during the day ^{the} sun
 shined very beautifully and Every things is
 green Y Wish that you were here you will enjoy it
 but we pray to ~~to~~ the most famerful Allah an
 god that we shall meet again and that we
 shall go to Morocco City And the others tribes of
 Neighbourhood of Morocco City how nice journey
 it will be when we shall visit the places which
 we have had visited before & I am sure you
 have the same feeling ~~the~~ as Y have to narrow
 & ~~one~~ hope Y shall write to Mr Macleod and
 will thanking him for his kind letter
 which Y have received same days ago
 And also Y will write to his sister to thank her
 for her Christmas Card & and also Y shall
 write to Miss Parin Jonberg Y have
 not heard any any things from Mrs E.
 Halland since we were at light House
 Y think she is very angry with me as Y
 have not written to her for long time
 Y must write to her a charming letter
 as she has been kind to me when Y have
 been in her House Y think she has been too
 kind to me &

the news of Morocco just as before the Spanish
 troops always are defeated by the Moorish
 tribes the Spaniards they do not know
 what to do with ~~thyselv~~ & think very soon
 they will give up the war and ~~go~~^{will} go away.
 to Spain that is my ~~idea~~ the Sheeef Paissuli
 he is still very powerful. And he is sending
 letters to all the ~~mauntineers~~ and inviting them
 to have a new meeting at Moulai Abd Salam
 Saint House at Ebny ~~As~~ tribe And he has—
 proclaimed himself as a Sultan of the
 Mauntineers tribes And ~~thyselv~~ think very ~~soon~~
 Will see or hear that the Moorish tribes ~~will~~
 they will attack the Spaniards very strongly
 so they Moorish people will catch ~~the~~
 Spaniards like a Birds and will kill every
 one of them so no one will be left but ~~you~~
 only sorry for those Young Spanish soldiers
 whom they do not know how to fight and ~~they~~
~~thyselv~~ have heard most of those Young soldiers
 they run away from their army and they ~~say~~
 go to the Moorish army and they became
Mahammedans and they circumcised them
 but of course you ~~now~~ ~~are~~ my Country
 men they are blood thirsty people but the
 same time ~~thyselv~~ think they are very kind people
 When you are friend with ~~them~~ but ~~you~~
 — some ~~they~~ tribes men are very kind to those
 Young Spanish soldiers

 French Troops for many weeks but we have
 here rumour that the French Troops are defeated
 or beaten by Tadla tribe but of course many
 Berbers tribes are with Tadla tribe Tadla tribe
 is in the neighbourhood of Allemat and also
 we have a rumour ^{here} that many French ~~officers~~
 officers and the Sheeef of Waigan one ~~captain~~
 captured by Tadla tribe You know the Sheeef
 of Waigan who is his Mather is English lady
 he was acting with French Troops as Guide
 and Missionary as he has many behenors
 amangs those tribes but of course they tribes
 they know that he is French spy that all
 what I can tell about the news of South
 Morocco & Morocco city is perfectly
 safe all along the coast and all the
 the tribes of neighbourhood of the coast
 are perfectly safe to trade I suppose
 You heard that the Spanish Troops are
 in Tetuan now and that the ~~Spanish~~
 Spain the have their Sultan in Tetuan
 proclaimed for Maunteneers tribes and
 Riff tribes the name of the Sultan is

Mulai El Mahdi he is casam of Mulai Abd-el-Hafed the El Sultan & but the Refain tribes they have sent their delegats same time ago to Mulai Abdusalam Saint House in Beny Araas tribe and they have had a meeting with maunteneers tribes and sacrificed many Bulaks at Saint House and they have had promised each other they ^{not} will ~~not~~ accept the new Sultan till their all Killed & but of course now they Spaniards they are very much afraid to march to the maunteneers tribes they do not know what to do and they maunteneers tribes are preparing to get ready to attack Spanish troops in Tetuan and El Kassar that all what I can tell you about the maunteneers tribes I have heard that you rifle in your Russian legation when you will be here in Tangier we shall get back I have only one soft rifle in my House & but you must not far get to bring riding English rifle with you and hunting gun with you when you will come to morocco because as you know the old rifles are no good

occupation here in Tangier or somewhere
else because some weeks ago I have had
a chance to go to Fes city with a French gentle
man who speak English but I have refused to
go with him for You sake so I hope that You
will believe me what I am writing to You
the reason why I want to get the work because
I am living very poorly the 2 Pounds which
You send me every month does not keep
me enough and the exchange now is very
little so and I have not done guide business
for nearly 4 Years it is a great a shame for
me to work as guide I may be a guide in
other country like Egypt or Tunis but thanks
to Allah that I have land here in Marocco
which my beloved father has left behind him
When the country will be settle I will plough
my land and I hope I will get married sooner
or later and then I will be a happy man

I shall be very glad when I will see your
Morocco Book out of prints and then
I will have a great pleasure to =
Read it it will be my new Koran
You wish to know how they people in
Morocco ^{they} make - Hanly they make a
kind of nest of skin of the cock tree
of wild Forest this kind of nest is
a like pipe of smoking El Kif = the
pipe is open in Batho side so the
Bees they enter in the pipe of the Batho
sides in morocco they called Bees Hives
ajbal many - ajabheen
(أَجْبَلْ) (أَجْبَهِينْ)

I mean to say the Bees Hives is made
from the cock trees you know what is the
cock the Battal of mine is Battaled
of the skin of the cock trees of =
wild Forest you remember the big
Forest of cock trees in Abny -
ahssan tribe near Mahdia Town

to

³

You wish know about el Hadj el =
maskin who go to Mulai Abdsslam
(4 times) it is used Boths some
peoples they say Hadj l - maskin
and some peoples they say el Hadj
el maskin You know the word is
maskin is a poorman, it is better
for you to used the word Hadj l -
maskin as it is used by moarish
tribes but they people in Fez city
or others Towns in morocco they
will say el - Hadj el - maskin
Mulai Abdsslam is Buried in the
moarish tribe so the word must be
moarish Hadj l - maskin no
artical J = but of course if a scribe
or Talab will write = جَاهِدُ الْمَسْكِين
according to the common language
in morocco they Will say جَاهِدُ الْمَسْكِين
but of course You will decide which
you will use el Hadj maskin or
el Hadj el maskin

I can not do any things for you
you can go to the Seeliffe
and tell him all what has happen
to you, so I have not gone to Seeliffe
I have given up the case, I think
they Secretary he is very bad man
what ever that Spanish dragoman
he said to him he ~~says~~ does I think the
Spanish dragoman he is now much
jealous of me because when the ambassador
was here I have written to him a letter
and I have informed all what has
happen to us in agra the reason
is very angry with me, but when
you will come back to morocco you
must get letter from your minister
~~of your self of~~ foreigner affairs

for the refels which you will bring
with you because if the secretary he is here
he will not help you for passing
the refels, but at cause the ambassador
he is very kind man I think he will
do it without any letter if ~~is~~ he is here
that all what can I tell you
about the news

Now I shall tell how much is left of
 your 30 dollars) 4 dollars for my
 cause and I shall send to Sidi Rahal
 4 dollars and I shall make a
 far your new tent that will cost
 about 6 dollars and the rest of your
 money which is left 10 dollars I have taking
 4 dollars from it which I expended for
 my family ~~that now is~~ left of your money
 3 dollars but when you will come back
 to Morocco I shall serve you for what
 I have taking and since you have
 left I have been only 3 times in
 Tetuan but only for short times
 they strangers are very much
 afraid to travel in Morocco
 so now I have nothing to do but
 hope God the country will soon
 settle so that I can make some
~~busness~~ business abdelkrim he is doing
 with his mul ^{very well}) I wish you that you
 will lend 50 dollars to buy a mul to
 her it so I can make some ^{money} but
 if you can not do it then never mind
 but of cause I shall serve you for it when
 you will be back I know that you are very poor
 man but if you will find it is difficult
 then please answer me so as much
 as you can because I chance of going to South
 Africa my kind regards to your family
 your sincerely

very much thankful to You if You can not

You want to know the Anjdra custom about
the l - Agid del - Hágék del - Arusa &
the Bride sitting on the matress ^{dressed one} in new
Hágék which she has received from the Bride
-groom & the girls round her tie the fringe
of the new Hágék, My Mother knows very well
the Anjdra custom of Wedding as she has had
lived in Anjdra about 30 years & My Mother
tells me ^{that} when the new Hágék is puts on the
Bride & they girls they do not ~~not~~ tie the fringe
of the Hágék of the Bride & but she
says that the fringe of new Hágék is tie
by Married Woman which is called.
Al māzwarān - gājū & the Married woman
must be lucky for her self and her Husband
and she must be the first wife of her
husband and she must have children
and her husband must be fond of her and
her husband has not married any Wifes after
her but of course when the married woman

tie the fringe of new ⁴ ~~hayed af the Bride~~
but of course the girls are round the Bride.
my mother tells me that the reason why the
married woman, tie the fringe of the Hayek
of the Bride. because the Bride will be
happy and lucky so and ~~will have~~ she will
have children with Bridegroom as the the married
woman has. with her Husband and also my
mother tells me that ~~a~~ the fringe maker
must not be a Widow ~~or~~ and also my mother
has a ^{asked} married woman from Abny Ammar
tribe and also she said the same custom
I hope you will be able to understand my writing
that all what I can tell you about the
Custom of ~~A~~ l-Aqid del-Hayek.

You want to know the custom about the
Bridegroom When he wears ~~the Hayek~~
on the occasion When he is riding to his
House ~~or~~ to see ~~the~~ the Bride the Hayek is
a man dress ~~not~~ ^{the} Woman but my mother
tells me that after Wedding the Bridegroom
Give his Hayek to his wife as present or
they keep the Hayek in their Box as
Memory of their Wedding ~~or~~ but cause
the Bride can use the Hayek any time she
likes ~~or~~ my idea is like this the Hayek is
Keep it in the Box as Baraka in the
House

I have seen in the Daily News and Leader
about one of Your country man he is a member of the
Viborg Magistrates Court & his name Herr Lagercrantz
who was recently arrested for refusing the regulation
lately passed by the Duma concerning the Russian
rights in Finland And he was sent to St Petersburg
for imprisonment and trial & And Please kindly

town and he came here in Tangier for some
weeks and he became friend again with him
by Spanish Legation and then he left for
Agila town a few days ago as Gouverneur
but now Agila is occupied by Spanish
troops but I have heard from Richmoor
who is a friend of mine

he told me that the reason why the Shereef Raissuli
he is still as Dousha of A Zila and they
tribes that he has promised the Spanish Government
~~that he does not want Spanish government to do~~

What ever the Spanish Government will ask
him to do he has to obey them the news about
Marocco city that French troops are in Marocco
City and Mulay Hafed the ~~for~~ atender Run away
With his heliniers in the Atlas tribes and they
French prisoners who were captured in Marocco
city they were released by El glamy before

because Tangier now is ~~international~~
international because the French
they can not do what they like —
as they do in their ~~own~~ or in Fez
city or Marrakech or in the coast
so every body is coming here as refugee
— as the marish tribes they are still
fighting at Tetuan against the Spaniards
Spaniards the Spanish Commander
who has been captured by Anjra tribe was
released some days ago but he payed
ransome armaly and Anjra prisoners
they have been released now in Tangier
there are good many Moto cars —
running about here and we have
rumor here in 3 months time they
French they will began to make
Rail way from Tangier to Fez city
I think the Rail way will go over
on my land in Red Hill I suppose
they French will buy my land some
time ago an American gentleman
wish to buy my land in Red Hill
as he heard that I have mine of ~~petrol~~
~~petrol~~ Petroleum but I have
refused to go with him to Red Hill as
I do not like to have to do any things
with Americans as you know
I lost my protection for their sake
I prefer to deal with English
people or French or Germans
if you wish to build a house in
Red Hill I will give you some
land as present to you

the 2 pounds You send me every month just enough to Buy eggs and cigarettes and butter and tea and sugar and water but of course I have plenty of candles because when they ~~ladies~~ ^{my} ladies they come to ~~mother~~ to cure them they bring candles with them instead of money to her ^{give} but the same ~~time~~ I am very much thank full to You for Your kindness for sending me every month 2 pounds And may God prolong Your life far ever and ever ^{ago} I have got letter from Miss Karin Pronberg she wish to know if I am going to Finland this summer or not as she invited us to stay with her in her House in Flingsås in Sweden I do not know what to do she is in love with me I shall write to her and will send her Your Book of marriage ceremonies and I ~~inform~~ ^{will} inform her that I will ask You whether this summer or next year but the same time I should like to know if You are coming this ~~sum~~ ^{to} ~~sum~~ ^{to} Morocco or not I suppose You are going to Finland this summer if You are going back to Finland I should like to go with You to see once Finland in my life

 more fat I think when I will get an
 old man I will inherit my mother
 fatness and I will become a Dr of
 blessing I think it is very easy work
 and I tell you faithfully I know
 always what will happen to ~~be~~ me
 before hand with especial signs
 of movements of my body & signs by
 the eyes and hand and feet and face
 and legs and other things or in dreams

according to mohammeden law if a person
 has pawned others peoples lands by false
 way he has to be punish very hard or send

 the person who has pawned the lands
 and also according to mohammeden law
 a person who has pawned others peoples
land without the original documents
 he has to be punish for that crime and
 he may loss the money so that you can
 see what kind of people are in this country
 I have given my land to sidi jadub to
 plough since we were camping at
 my uncle village about ten years ago

no protection to have some legation
& to help me to have my right according
to my to Muhammedan laws but I should
like to ask You if You will be so kind
enough when You are in Tangier—
it will be easy things for You to
ask Yours Finnish Ambassador
to get a letter from the Spanish Amb
assador in Tangier as Recommandio
n for me to the Spanish Legation here
(in Tangier) in case I will have any
difficulty about my land which has
been pawned by my cousin Sidi
Fadul I do not want any things only =
what I have written in ^{my} documents
and according to Muhammedan
law but at the same time I hope that
I will settle my case without difficulty
I am always thinking that I am given

I am very Happy to inform³ You that I got
very kind a letter from our Swedish
friend Mr & Lindquist a few days
ago I suppose You will like to know
what he has written to me as following
Mariefeld 15th July my dear Sirreph
just to day I have finished a most
interesting Book about a Travell in the
Land of the Genuschi by Mrs Rasifa
Tarkes and when reading it I have often
thought of my beloved Marocco and my
friends there as I have not heard of
you since about a year I think I must
ask you news from yourself and from
our mutual friends last winter though
I = very earnestly to come for Marocco =
but as I had been ill in the Spanish melody
I dared not go so far where fore I only travelled
any weeks in Europe in the most terrible
weather and all the time I longed to the sunny
Southern more times very bad in Europe
and when travelling there are a lot of
troubles of every kind so the pleasure by
of seeing new lands and cities is not far
the same as before. I hope that Tangier has
not suffered so much from the war any how
you see in Mrs Tarkes Book that ever the
people in the Libyan & Desert have not
been happy during the endless world wide
war if you have read Mrs Tarkes Book I
should be glad to have your opinion
perhaps you know Mrs Tarkes herself the
most travelled over all the world and must
have been in Marocco do you see our
Shergi and Mohamed and Said El Arbi
and Feathome best
greetings to them all.

if colonel Backmanson⁴ in Tangier I hope
he escaped in time from the war Happy
Russia = Best greetings Hoping to hear
from You soon Ever Yours Sincerely
Abit:) in day or & I shall write a letter
to Mr ~~the~~ Lindquist which he will
be very happy to receive he is very kind friend
as he is still thinking of me & I am so sorry
that You have not yet get the reply
from the Spanish consul at ~~Tetuan~~
Tetuan I think You have made mistake
in writing You ought to write to him
in French because I know the consul
he does not know English as he was
in former time here in Tangier as vice
consul in Spanish ~~consul~~ consulate how nice
it will be if ~~he~~ will write to him =
again in French I am sure You
can easily get some gentleman
to translate from English to French
if You will take this trouble for my sake
I shall be very much thankful to You
if You will write in French to ~~the~~
Spanish consul at Tetuan again
as You alonging to go to Azila to finish
my case with Hidi Fadulis Hoping
to hear good news from soon
and please give my kindest regards
to our English and French friends

Policeman or to be guard at custom house
my occupation in former days as you used
to act as guide or travel with Gentlemen
in Morocco but now there are no one
as any Gentleman to travel in Morocco
Tangier now in such a position is like
gardens without gardeners there are
no tourist at all because they ~~may come~~ not afford to be
they become so poor that ~~that~~ that after the
leave their country or here in Tangier the
people are only living in such peculiar ways
which is difficult to explain by means to
say every person here in Tangier is he is
gaining his living in such a way
but only how shall do my best to do same =
work or some business which will succeed
=ed by the permission of God but I am so sorry
to heard 2 times from you that you cannot
not send me the money for the great feast
I must say that I feel very sorry to hear such
news from you because I feel that I am —
given you much troubles that you have become
so disgusted with me and angry with
me if I know that you will write to me
in such way I will not ask you for the
4 Pounds my feeling is different other =
people feelings on the great feast day I shall
be away from Tangier because that day
it will be black day for me for the sake of
my beloved mother which she has left me
for ever and ever may God bless her
for ever

but of course I know your exchange is bad
you have nothing to say about that I know now
that you are not in the same position as
before & it seems to me the world is change
able if any one will judge the world well
because madman or foolishman so that
that at some time we shall leave every
things in the right hand of God that may
give us better life in this life and we
shall be happier and God will pour on
us some of his holy blessing which will
soon come upon us and that we shall
meet again and that we shall enjoy and
we shall renew our ^{informe} pleasant time which
we have had together in former days
in Morocco and ^{got} a very kind and
charming and affectionate letter from
Swedish friend Miss Karin Kronberg
which she tells me that she is very sorry
about my beloved mother I think she is
good friend to me & I hope that you have
got my last and long letter which I have
had sent to you on the first of April now
I feel well and happy and strong and
in good humor and that every things
are green and beautiful. With that you were
here you will enjoy it I suppose very soon
you will leave for England & now I must
finish this letter so that you may get in
time before you will leave for England —

and you have answered him³ if a person will what
the Prophat tells him to do and he does not what
he believes in and Prophat mohamed his fasting
will save him for not going to Hell and then
he answered me make will go to the Hell as he
does not believe in am Prophat and then ~~time~~
I told him there are certain people in this
new world who are doing a good services to
churches or masques to show them self
they are great believers of God and his Prophets
but they are not believers of any thing I told him
if a person he is not afraid of God & how can he
be afraid of Human being so that he can say
more about Religion so we have change the
subject about the new conference at Geneva

news paper that Finland has sent her
man of war to guard Fishers Boats in
the White sea you so glad that Finland
is getting Navy power so that the con-
guards her coast against the Russian
attacking her Territory may God bless Finland
